

SAFETY CARDINAL RULES

Adherence to Safety Cardinal Rules helps keep us safe from identified life-threatening potential risks.

A breach of these Safety Cardinal Rules will, based on a review of the incident, result in disciplinary action up to and including termination of employment.

PAUL GARATY
Director Patrick
June 2011

Violence & Bullying

Violence, horseplay, harassment or bullying is strictly prohibited.

Mobile Equipment

Local exclusion zones and procedures must be adhered to at all times. Only approach mobile equipment that is first stopped, from the side, at a safe distance and only after clear eye contact with the operator has been established.

Suspended loads

Working under a suspended load or lifting a load over any person is strictly prohibited.

Isolation

Never interfere or use plant, equipment, facilities that have been tagged out, locked out or isolated.

Drugs and Alcohol

Being in the possession of and/or under the influence of drugs or alcohol is strictly prohibited (as per the Patrick *Drug and Alcohol Free Workplace Policy and Procedure*).

Restricted Areas

Unauthorised entry into areas that are restricted for operational safety reasons is strictly prohibited.

Working at Heights

Fall protection must be in place/utilised when working at heights.

Safety. Customer. One Team.
